Mrs Rogers Message

This week, we have been continuing our sculpture work with Arty Party. They have been working with our year 1 and 2 children and building impressive sculptures for our KS1 building! This really brings our school houses to life, as the characters they have created are all written by our House Authors; Dahl, Donaldson, Rowling and Walliams! They also help us to bring a real reading culture to the school.

Year 2 have been working with Rainham Girls, as part of the Sports Leaders course and have been enhancing their PE skills. The girls have been role models for our pupils and we appreciate their effort and positivity in PE lessons!

We have been having attendance meetings this week and as always, attendance is the key for us to ensure all children can meet their full potential.

Year 5 are venturing to Horton Kirby next week for their topic on Rivers, please can all year 5 parents ensure you have given permission on Arbor for this trip. We also have our Easter Fun day next Thursday. This will be a non-uniform day and a day to reward the children for their hard work this term. All children will go home at 1.15pm on Thursday 28th March and return on the 15th April 2024!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
