3rd June – children return to school

4th June – Hook Day

24th June – KS1 Sports Day

25th June – KS2 Sports Day

Mrs Rogers Message

This week, year 4 have been on an adventurous trip to Shorne Park. They talked all about how climate change is impacting our environments. They explored the wildlife in Shorne Park and they got to pond dip to find some water life! They enjoyed a day in the sunshine and even had a little picnic with their friends at lunch time!

Year 6 breakfast and booster groups continue to run and this week has been another good attendance. This has really helped for the preparations for next week's tests. Don't forget all of our children who are in every day and try their best on each test earn their place on the reward trip to Chessington World of Adventures on Thursday 23rd May, we will even buy them an ice cream to reward all of their efforts!

Even though this is a 4-day week, we have been so busy with learning and have actually been able to enjoy some sunshine, it has flown really quickly! The trampolines are now back open for children at lunch time.

Some advance warning that on Thursday 23rd May, we will be having our Mental Health Day and children will be able to wear non uniform with a green theme on this day. Then, Friday 24th will also be non-uniform as it is our last day of term and our fun day which will be enjoyable activities related to emotional wellbeing and self-esteem!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Quote of the Week

"Have courage and be kind. For where there is kindness there is goodness, and where there is goodness there is magic."

-Cinderella

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

STARS OF THE WEEK

PE Class Trophy

Discovery	Phoebe	Francesca	Olisha	Nuha
Pioneer	Aston C	Theo B	Isabella D	Ruby H

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn or Mrs Stevens. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on pond and water safety, especially when going to the park!

WATER SAFETY FOR AGES 5-14

DROWNING IS THE SECOND LEADING CAUSE OF UNINTENTIONAL INJURY-RELATED DEATH IN THIS AGE GROUP.

DANGERS OUTSIDE OF THE HOME

As school-aged kids get older, they are more likely to drown in natural water, such as a pond or lake.

COMPARING THE NUMBERS

Among those 1-14, drowning is the second-leading cause of unintentional injury-related death behind motor vehicle crashes.

YEARLY DROWNING FATALITIES

There are more than 200 drowning deaths each year among children ages 5-14.

IMPORTANCE OF IMPROVING WATER COMPETENCY

59% of children between the ages 5-14 who drowned reportedly know how to swim.

THESE STATISTICS REINFORCE THE IMPORTANCE OF WATER COMPETENCY INCLUDING BASIC SWIM SKILLS, BARRIERS, AND PARENTAL SUPERVISION TO PREVENT TRAGIC INCIDENTS AND ENSURE THE WELL-BEING OF CHILDREN IN ALL AQUATIC ENVIRONMENTS.

WATER SAFETY TIPS

- Enroll children in high-quality swim lessons that include water safety skills, learning how to float and tread water.
- Take classes to learn first aid and CPR with rescue breaths.
- Consider door alarms or personal alarms for younger children to alert pool access during non-swim times.
- Actively supervise children during swim times. Water Watchers and lifeguards should be close, constant, and capable.
- Have children wear brightly colored swimsuits.
- Use U.S. Coast Guard-approved flotation devices when in and around natural water or while boating.
- Educate children on the importance of staying out of the pool during non-swim times.
- For younger children, remove toys or tripping hazards in and around the pool/spa area.
- For younger children, remove any climbable objects near the pool gates and fences.

Weekly Dog Mentor Spot!
What have our dogs been up to this week?

Rocky Ruby Rolo

You can't beat cuddles in the morning!
Ruby and Rocky. X

Rolo loves it when the children visit her in the hub!

As it is SATs week for our Year 6's, the Parent Forum will be held in the KS1 building. Please go directly there to sign in and attend the meeting. Mrs Flynn will welcome you at the KS1 door to show you through.

PARENT FORUM

parents supporting parents

WHAT IS A PARENT FORUM?

Parenting can be challenging, so come along to our parent support coffee morning to share experiences and information. Sharing your story might help someone else who doesn't know where to turn and you might come away with some different ideas too!

THIS WEEK'S TOPIC

This meeting's topic is Carers. What is a carer? what does it mean to be a carer? What support is there for carers?

Come along and find out more

Tuesday 14th May, 9am
KS2 canteen
Tea, coffee and biscuits provided

Contact the school office for more details
