## Mrs Rogers Message

This week, we have enjoyed our Term 6 Hook Days. They involved dressing up and having fun activities related to their big topic for this term. Hook Days are so important to engage our children in their topics and all of the planning for the term's curriculum is based on these big topics, so we like our children to be excited about this! Parents who would like more information about curriculum maps can see these on the relevant year group web pages on our school website.

Year 1 have been to Margate Beach this week. They travelled on the train from Rainham which for some of our children was their first ever time on a train! They enjoyed playing in the sand and having an ice cream at the sea side. The weather played ball for us and we did not see rain, so a lovely day for both year 1 classes!

We also had a visit from BAE STEM ambassadors for year 4,5 and 6 this week, in connection with the RAF and Royal Navy. They presented the children a range of science experiments and talked about renewable and non-renewable energy resources, which is a big focus here at TVPS as part of our ECO initiative and being sustainable!

Swimming has begun again for year 5 on a Wednesday and we are so happy to say that we have secured our weekly swimming slots next year for years 3, 4 and 5 who will all be swimming weekly for the year at the new Cozenton Park (or Splashes to all of our local families!). This will be so much easier to get to as it is just across the road, so we feel very lucky to have this opportunity!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

## Quote of the Week

# Hook Day - Tuesday 4<sup>th</sup> June 2024

## Year 5

Investigating Medway and its landmarks especially those linked to its maritime history. Creating timelines and art work.

*You will have seen lots of photos on our social media pages of our Hook Day this term.*

## Year 2

We painted paper plates and made our Rio Carnival masks. Guess who!

Using the film 'Rio' as inspiration, we made birds' nests for Blue and his family.

WE ARE THE LITTLE MASTERCHEFS! This week in Science, we made our chef hats for us to wear when we make our sandwiches

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

## *Safeguarding Corner*

*If you have concerns about your child, please come in and discuss these with Mrs Flynn or a member of our Inclusion Team. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on the dangers of E-Scooters!*

**Can I ride my e-scooter to school or work?**

**No, it's illegal...**

E-scooters are classed as motor vehicles and are required to be taxed and insured. It's not possible to get insurance for privately owned e-scooters, which means it's illegal to use them.

**Can I ride my e-scooter on the pavement?**

**No, it's illegal...**

You cannot use e-scooters on public footpaths, cycle lanes or roads.

**What happens if I'm caught using my e-scooter in public spaces?**

**The scooter may be seized and as a result, destroyed.**

If stopped by an officer, you may be asked to complete a breath and drugs test. You also risk a £300 fine and six penalty points on your licence for no insurance.

**Kent  
Police**

### **Think before you buy:**

The number of electrical scooters being used on our streets has risen, as well as reports of serious injury and fatalities.

For more information and advice on the use of e-scooters visit [www.kent.police.uk/road-safety](http://www.kent.police.uk/road-safety)
