Mrs Rogers Message

This week, we have hosted our first Sports Awards Evening. This was a really lovely formal event which recognized many of our junior children who have excelled in PE lessons, competitions and sports clubs this year. We will hold this event again next year and we will celebrate more children and their successes. We need to say a big thank you to TICKTOCKS in Rainham, who sponsored our event and provided the food. Without them, we would not have been able to have this event. If you would like to visit ticktocks, it is located in Rainham High Street and more details can be found on this link;

This week, we also enjoyed the second PSA Soccer Tournament for year 4. This involved lots of other schools coming to Thames View and playing mini tournaments. The children played so well and really put in their best efforts. Their behaviour was an example to others and we are so proud of them!

On Thursday, year 5 visited Chatham Dockyard as part of their Maritime Medway topic. They took part in Nautical Workshops and learnt about the history of the dockyard. They were able to explore the grounds and have fun with their friends.

We also held our third annual governor day on Thursday. This involved our governors' visiting lessons and speaking to children and staff about this year and what they have been learning and enjoying. Our governors work with us all year to ensure that the school is progressing in the way we would like and getting better and better!

Today has been our transition morning and our children have spent time in their new classrooms and with their new teachers, preparing themselves for September!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn or a member of our Inclusion Team. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on personal safety and talking to our children about keeping themselves safe!

My Body Safety Rules

My body is my body and it belongs to me!

I can say, 'No!' if I don't want to kiss or hug someone.
I can give them a high five, shake their hand or blow them a kiss.
I am the boss of my body and what I say goes!

I have a Safety Network

These are five adults I trust. I can tell these people anything and they will believe me.
If I feel worried, scared or unsure, I can tell someone on my Safety Network how I am feeling and why I feel this way.

Early Warning Signs

If I feel frightened or unsafe
I may sweat a lot, get a sick tummy,
become shaky and my heart might
beat really fast.

These feelings are called my Early Warning Signs. If I feel this way about anything, I must tell an adult on my Safety Network straightaway.

Secrets

I should never keep secrets that make me feel bad or uncomfortable. If someone asks me to keep a secret that makes me feel bad or unsafe, I must tell an adult on my Safety Network straightaway!

Private Parts

My private parts are the parts of my body under my bathing suit. (My mouth is a private part too.) I always call my private parts by their correct names.
No one can touch my private parts.
No one can ask me to touch their private parts. And no one should show me pictures of private parts. If any of these things happen, I must tell a trusted adult on my Safety Network straightaway.
