September 2025

Monday 1st September Years 1-6 return today

Mrs Rogers Message

This week, we have seen Infant Games on Thursday. Some of our years 1 and 2's represented the school in this competition and we are so proud of their behaviour and efforts in the games! We also saw Year 2 and 6 go to Cozenton Park for their weekly swimming lessons, where we are seeing so much progress. During this lesson, the swimming coaches work on the national curriculum objectives of being able to swim 25m. For those who can do this successfully, they teach water safety skills.

This week we have also seen Reception go to Wingham Wildlife Park. They walked all around the park, looking and learning about all of the different species of animals, where they come from and what they need to live. Their behaviour was so respectful and polite and they had lots of fun with their friends. Great job Reception!

We also had Rubbish Snooker for Year 6 this week. This fits in with their topic of 'Plastic Pollution'. They enjoyed a presentation on recyclable material and how pollution impacts our planet. They then used recyclable materials to build their own 'snooker mats'.

Today, our children saw their big reveal, showing them who their new teacher and TA would be next year. This information has been sent to all parents by e-mail. We will be working on transition from now until the summer holidays. Children will spend the afternoon of the 3rd July with their new teacher in their new classrooms and parents are welcome to see where their children's new class is on our Open Classroom afternoon on the 9th July!

I hope you all have a lovely week and stay safe, Mrs Rogers.

Quote of the week

Be who you are, because those who mind don't matter and those who matter don't mind.

Returns next week !

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn. Each week there will be safeguarding tips here, let us know if we can help!

Today's focus is on Water Safety Code and being safe near water!

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK

Take time to assess your surroundings.
Look for the dangers and always research local signs and advice.

STAY TOGETHER

When around water always go with friends or family.
Swim at a lifeguarded venue.

In an emergency:

CALL 999

Ask for the Fire and Rescue Service when inland and the Coastguard if at the coast.
Don't enter the water to rescue.

FLOAT

Fall in or become tired - stay calm, float on your back and call for help.
Throw something that floats to somebody that has fallen in.

"Open Classroom"

9th July 2025

From 3.30pm - 5.00pm

Open Classroom is an opportunity for children to show their parents all of their amazing work from their current school year, as well as walk with their parents to their new classroom. This will be from 3:30 pm (once all children have been dismissed) and doors close at 5 pm.

Class teachers will be available in the classroom, but please note that this is not an opportunity for individual discussions as there will be many other parents around.

(Please collect all your children before you visit their classes)

We look forward to welcoming you to our class 😊

TVP - Music Festival - promotion

We have been approached by **Your Move in Rainham** in regards to the possibility of placing promotional boards in and around our area to help promote our larger events - Music Festival and Fireworks.

This is of course great advertising for both Your Move and us and for every promotional board placed the PTA will receive £10.

Would anyone be happy to have a board placed outside their house/home?

Thank you as always for your continued support.
