Mrs Rogers Message

As we approach the school holidays, I am reflecting on what a busy Term, Term 5 has been for us all! It may be the shortest term of the year but with SAT's, trips and visitors, we could not have filled it any more with learning! Term 6 will see some more national tests, with MTC checks beginning in the first week back from the holidays for Year 4 and Phonics official checks starting for Year 1 on the 9th June. We also have lots of fun activities planned for Term 6, some of which are noted in our special events column.

Our ECO shop is very much open for our families to use and is very well stocked with uniform. If any of our families need any for Term 6 or for next year, please do make a visit! Also, for any families who have good quality outgrown clothes that they would like to donate to the shop, there is donation collection points in the front office. We then can wash all clothes and find new homes for nearly new quality clothing!

In our first week back, we have our 5th Hook Day of the school year. These days are so important as they 'ignite the spark' for the new topic of learning and really engage the children and staff! Individual year group topics and requirements will be sent soon.

We also have MYG Football on the 5th, those attending this event from our football team have been sent a letter home from Miss Bailey. We are currently looking at additional clubs for next school year, so that we can offer as many as possible and a range of activities, so each child has a club that they would like to attend. The list of clubs will be sent before the summer holidays, along with a list of trips for your child's year group next year to allow families to budget for them or speak to us if they need any help with this!

I hope you all have a lovely week's holiday, we return to school on Tuesday 3rd June, as Monday is a staff training day.

Stay safe, Mrs Rogers

Quote of the week

"Anyone can cook ... but only the fearless can be great."

—CHEF COSTAUD, RATATOUILLE

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn. Each week there will be safeguarding tips here, let us know if we can help!

Today's focus is on being safe around water, if you go for a trip to the River of Beach!

Be Alert to Water Safety

 Check weather, water conditions & tides before going on or in the water

 Let someone know where you are going and what time you expect to be back

 Do not go alone, even if whoever you bring doesn't get on or in the water

Use an appropriate lifejacket or buoyancy aid if you are doing activities on the water

Have a method of calling for help

In case of emergency ring 112 or 999 and ask for the Coast Guard

 Ensure you are visible in the water and do not go in or on the water during reduced light

 Do not use inflatable toys in open water
