Mrs Rogers Message

A big congratulations to our Year 6 pupils this week for trying their best on their SATs tests. Their attitude to learning, perseverance and resilience really shone through and we could not be more proud of them! As a result of their hard work, they have ALL earned a place on the Chessington World of Adventures rewards trip next week and we hope they have a fun day with their friends!

We have many other trips next week, including Year 3's culture trip to the Odeon Theatre to see the BFG and Year 2's Medieval Medway Trip to Rochester Castle as part of their curriculum topic. Year 4 are also going to Shorne Country Park to do some pond dipping for their topic on 'Our Changing World', so let's hope for more sunny weather!

ECO day will be happening on the 5th June rather than the 23rd of May, as this is World ECO day and more information will follow on this soon from Miss Bradshaw, our ECO lead. Children are welcome to come in to school in non-uniform on the last day of this term, Friday 23rd May as we will be breaking up for the week's holiday.

Year 2 will be swimming next week and they will have a fun session on the 22nd May which will hopefully include some fun on the flume! We appreciate Year 6 will miss this swimming session due to Chessington and we are seeing if there is any way we can replace the swimming slots that year 6 missed due to SATs. Mrs Rogers is liaising with the Pool and we will come back to you as soon as we can!

I hope you all have a lovely week and stay safe, Mrs Rogers.

Local parking Issues

Please can we remind families that parking in Charcott Close, opposite the school, is **not permitted**, it is a Private Road.

We have received further complaints from residents in the Close that our families are using Charcott Close at drop-off and pick-up times.

We are fortunate to have roads we can use for parking so please can we ask that these are used for school times.

Thank you for your co-operation.
