Mrs Rogers Message

This week, we have enjoyed the visit from Happy's Circus. It was very exciting having a big top in the school grounds and I know many of our families came to the show! The PTA are already planning their next big event and it is going to be very exciting! If any parents would like to join the PTA, we are always looking for more members, please come and speak to the school office for more information.

Thursday saw much Sport for Thames View. Year 2 and 6 went on their second week of swimming at Cozenton Park. They have begun this exceptionally well and the children have all been assessed and are in ability groups, so their progress can be monitored. Some of our year 4's have been at Avenue Tennis for the PSG Racket Skills and our Football Team have been playing a league fixture at Bligh Primary School. All of these children have been a great representation of Thames View, showing superb behaviour!

Year 1 Parents, your child's trip to Port Lympne is this coming week and I have no doubt that the children are getting very excited! Any parent who has not already given consent on Arbor, please give your this as soon as possible for your child to attend this trip. We are currently busy planning next year's curriculum and culture trips and a budget plan will be sent to parents next term, so you know exactly where your children will be going and the cost. For any Parents who need help with this, please do not hesitate to come in and see us!

This term is such a busy one! Year 6 parents, please ensure your children come along to breakfast boosters this week in preparation for their SATs tests, which are from the 12th to the 15th May, in the mornings. Attendance is very important for these national tests and all children who sit every test will earn their free place on the Chessington World of Adventures Trip as a reward! Please remember Monday 5th May is a bank holiday, so school will be closed to all students! Enjoy your extra day at home!

I hope you all have a lovely week and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn. Each week there will be safeguarding tips here, let us know if we can help!

Today's focus is on body safety rules that you might want to talk through with your children!

My Body Safety Rules

My body is my body and it belongs to me!

I can say, 'No!' if I don't want to kiss or hug someone.
I can give them a high five, shake their hand or blow them a kiss.
I am the boss of my body and what I say goes!

I have a Safety Network

These are five adults I trust. I can tell these people anything and they will believe me.
If I feel worried, scared or unsure, I can tell someone on my Safety Network how I am feeling and why I feel this way.

Early Warning Signs

If I feel frightened or unsafe
I may sweat a lot, get a sick tummy,
become shaky and my heart might
beat really fast.

These feelings are called my Early Warning Signs. If I feel this way about anything, I must tell an adult on my Safety Network straightaway.

Secrets

I should never keep secrets that make me feel bad or uncomfortable. If someone asks me to keep a secret that makes me feel bad or unsafe, I must tell an adult on my Safety Network straightaway!

Private Parts

My private parts are the parts of my body under my bathing suit. (My mouth is a private part too.) I always call my private parts by their correct names.
No one can touch my private parts.
No one can ask me to touch their private parts. And no one should show me pictures of private parts. If any of these things happen, I must tell a trusted adult on my Safety Network straightaway.
