Mrs Rogers Message

This week we have had our spring term fire drill practice, as well as a practice run of 'Reggie's Loose', our lockdown procedure. These are procedures that we never expect to use, but it is important for our staff and children to know. Safeguarding is always our number one priority and we want all of our children to feel safe when they are with us.

It has been a busy enterprise week, with children learning what it takes to run a business. It is Thames View's version of the apprentice, where each class plans and forms their own business. They, then, produce the products and sell them to each other. The class profits are then spent on something that the classes choose and the winning class wins a prize. The entrepreneurial skills this week have been super!

We have also had Internet Safety Day on Tuesday. This is very important to promote E-safety and using the internet safely. We have been doing in class activities with the children to highlight this and to ensure that they are aware of the dangers and risks of the internet. We know that the world wide web and social media communication is used by most people but we want to promote sensible use.

Thursday saw class photos for every class. This is a lovely event, as children pose with their class mates. As usual, we had lots of very smart hair dos and some very happy smiles. The information on how to order these photos should have come home to you with your child, as parents order directly with Kittle and not with us. To celebrate, we also enjoyed PTA school discos and thank parents for their support with this. Children enjoy these events, but we wouldn't do it without our supportive parents!

We break up for half term today and hope you all have a lovely week. We return to school on Monday 24th February. This first week back we have our fourth Hook Day on the Tuesday, information on this will be sent to parents. Reception are also going to see Room on the Broom for their culture trip to the theatre. Please ensure you have given your child permission if you are a Reception parent.

I hope you all have a lovely week and stay safe, Mrs Rogers.
