Mrs Rogers Message

This week we have been enjoying Twist and Pulse workshops in the juniors. The juniors have been learning contemporary dance moves, as many of you would have seen on Britain's Got Talent! They also got to speak to the boys about how they got in to dancing and their successes on the tele! We are having a special visitor in the infants, Don Rae, coming on the 13th March, to offer dance workshops for EYFS and KS1, we can't wait!

We also enjoyed NSPCC Number Day on Friday, which raised money for this important charity. There were many number-based activities in school on this day, thanks to Mrs Bradshaw, so we had a very numeric day! This was also 'wear a scarf' day which recognised the importance of mental health. There were class-based activities around the importance of understanding how we feel and who we can speak to if we need help or someone to talk to.

Please note that class photos are this Thursday and ALL children should come in to school in full school uniform. If your child has swimming on this date, they will go in their uniform and should bring their swimming kit as usual. If your child has PE, they should bring this in a bag to change in to after their photos.

Next week is also PTA school discos, one for the younger children and one for the older children. The money raised from these tickets all goes back in to school projects. If you have not yet bought your ticket, there are some left on the PTA web link, so please do buy these. We know our children love to party and socialize with our friends, especially before the holidays.

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Quote of the week

Learning Page

We are working with the Fortis Trust and on the PINS project, which is the Partnership for Inclusion for Neurodiversity in Schools. PINS is a fully funded project that focuses on a Health and Education collaborative to support schools with a whole school approach to Neurodiversity and includes direct feedback from parents, carers & children on the schools selected. Its purpose is to identify our needs as a school in relation to Neurodiverse children and work with the experts to ensure we give the best offer to these children, so they can fulfil their potential with us. There will be parent sessions coming soon to tell parents more about our work, as well as offering support strategies for our parents and carers of our neurodiverse children!

Some days,
the world feels too loud,
every sound and color sharper than it should be.
I speak a language
that doesn't always translate,
a puzzle with edges that don't quite fit.
In my mind—
a quiet brilliance that sees
what others don't.
I notice the way rain traces patterns on the glass,
how a single word can carry
a thousand hidden meanings.

I am not broken.
I am layered,
like a poem that takes time to understand.
There's beauty here,
in the challenges, in the strengths—
if you slow down long enough to see me.

Safeguarding Corner

If you have concerns about you child, please come in and discuss these with Mrs Flynn. Each week there will be safeguarding tips here, let us know if we can help!

Today's focus is on safety tips for being online!

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

Online Safety Tips For Children

Do's

Don'ts

1 KEEP YOUR PERSONAL INFORMATION PRIVATE ONLINE

Only share it with people you know like friends and family. Ask a trusted adult, like your teacher or a family member, to help you change your privacy settings so that strangers can't see it.

2 SPEAK POLITELY AND BE KIND TO OTHERS WHEN YOU SPEAK TO THEM ONLINE

Treat them like you would treat them in real life and always remember your manners.

3 TELL A TRUSTED ADULT IF YOU ARE BEING BULLIED ONLINE

If other another person is sending you nasty messages, a trusted adult will be able to help you collect evidence and report the person to the relevant authorities.

4 USE PASSWORDS TO PROTECT YOUR PERSONAL INFORMATION

Ask a trusted adult to help you create a password that you can easily remember but which is hard for other people to guess.

5 ALWAYS CHECK WITH A TRUSTED ADULT FIRST BEFORE USING A DEVICE OR DOWNLOADING A NEW APP

This is so that they can check it is safe for you to use and make sure the privacy settings are right.

6 TELL A TRUSTED ADULT IF YOU SEE SOMETHING ONLINE WHICH YOU DON'T LIKE

This can include anything that upsets you, makes you feel sad or which you're unsure about.

7 USE THE INTERNET TO HAVE FUN AND TO HELP YOU FIND OUT INFORMATION ABOUT THINGS

Remember to ask your trusted adult for help and always use child friendly search engines so that the information you get back is safe.

1 ACCEPT FRIEND REQUESTS FROM STRANGERS OR PEOPLE YOU DON'T KNOW

Always tell a trusted adult if somebody you don't know tries to contact you online.

2 SPEND TOO MUCH TIME ON YOUR DEVICE

Instead, go out and play with your friends, get some fresh air and try to exercise more. This will help you stay fit and healthy.

3 REPLY TO MESSAGES FROM ONLINE BULLIES OR PEOPLE WHO SEND YOU NASTY MESSAGES

The most important thing to do is to tell a trusted adult and then block the person from contacting you.

4 COPY PEOPLE'S WORK ONLINE OR PRETEND IT IS YOURS

This is called plagiarism and can get you into a lot of trouble.

5 BE MEAN OR NASTY ONLINE

Behave online like you would in real life and don't post anything that can make you look like a bad person. Things that you post online can stay there for a very long time.

6 USE YOUR DEVICES CLOSE TO BEDTIME

This will allow your brain to rest so that you can get a good night's sleep, stay focused at school and perform better in class.

7 SHARE PERSONAL INFORMATION ON THE INTERNET WITH STRANGERS

Always tell a trusted adult if somebody you don't know asks you for your personal information.
