Mrs Rogers Message

This week year 1 have had a cosmic week, with their Virtual Reality workshops on Space on Tuesday! This is part of their new topic, as well as being part of our computing offer. They then built on this learning by visiting Greenwich Planetarium on Wednesday. They ventured into space, through visiting a planetarium show, as well as learning about moons and planets as they journeyed around the museum. They also stood on the Meridian Timeline.

Rehearsals are sounding lovely for the Young Voices trip on the 20th January! For parents who have tickets, we advise you to arrive early as traffic and parking can be busy at that time of day, parking is also quite costly! However, we look forward to seeing our children perform alongside hundreds of other school children. It really is a wonderful experience, one that they will remember for a long time. Plus, they will be experiencing a restaurant meal at Frankie and Benny's, which I am sure will be yummy!

We also have a range of sporting events happening next week, including an EFL football tournament, which could lead to Thames View playing at Wembley and Mini Youth Games at the Howard School on Thursday, if your child is attending, you will receive a letter from Miss Bailey!

Swimming continues to be a big success, with the more advanced swimmers learning lifesaving techniques. We are booked in to swim with years 3,4 and 5 until February half term, but we are currently working with the PTA to see if we can extend funding from their support to enable us to swim for more of the school year. I will be in touch shortly about this. We ask that parents continue to support PTA events, as all funds raised by their hard work goes back in to the school and allows us to offer even more. The school discos are coming soon, so if your children have not got their tickets yet, please do log on and purchase them!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Quote of the week

"The way I see it, if you want the rainbow, you gotta put up with the rain."

.... Welcome to our ECO Squad

The new Eco Squad members for this academic year recently had a successful meeting. The members were given their new badges and discussed initiatives they want to start. This included, an Eco Poster competition, new recycling schemes and more bins.

The year 6 representatives have already been busy monitoring the classrooms and deciding the winners of the **Greenest Classroom Certificate** each week.

We also had the exciting opportunity of attending the **Greenest School Awards for the 3rd year running!** The Year 6's got lots of goodies and biscuits and heard lots of new ideas that they would like to adapt for our own school!

Lastly, we have recently signed up to the "Terracycle" Scheme. This scheme organises different recycling boxes throughout the year. The boxes allow recycling of products such as crisp packets, cleaning products and contact lens packaging etc. These recycled items can be exchanged for money that can be put back in to the Eco Squad.

Look out for new recycling boxes in the Main Office!

The Eco Squad members are extremely passionate about the Squad and are excited to continue new ideas.

**They would like to remind everyone:
"The Earth loves you, so love it back!"**
