Mrs Rogers Message

This week, we have been enjoying pictures of the year 6 adventure at PGL Windmill Hill. They have been doing so many activities, including abseiling, survival training, Jacob's ladder, giant paddle boarding, fencing, rifle shooting and archery. They have been enjoying a holiday with their friends, with lovely food, a mixture of weather and they will be coming home today very tired.

We have also had Harvest Assembly with Medway Food Bank this Monday, learning about different people and cultures and learning about being thankful for what we have. A big thank you to our families who have donated food products and Medway Food Bank would like to extend their thanks to our school community for your kind donations which will help others!

Our first open day took place on Wednesday, which was a sold-out event! We look forward to showing our potential new families our school and there is no one better to talk about what we do than the children themselves, who always take part in these open day events, with our year 6 students showing families around the school.

Tonight, we have our PTA school discos, to raise money for our PTA projects. These are lots of fun for our children and allows them to socialize with their friends. Please remember you do need to book a ticket in advance and can not attend without them, the link has been sent on arbor to parents. So, for those children who are coming, we hope you have a lovely evening!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Year 6 spaghetti sculptures - who can make the tallest! Lots of fun working together in teams to come up with the best design!

- PGL -

You will have seen on our social media sites during the week the fantastic, if not a little wet, time that the children and staff are having at PGL. We are hoping that they will be returning to school today about 4pm, (traffic permitting).

If we hear that the coach will be arriving at a different time, we will let families know via Arbor email.

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

Safer asthma

Do you know a child who has asthma?
They need to:

- ✓ see a healthcare professional once a year
- ✓ get their inhaler technique checked
- ✓ get a written asthma action plan (for school and home).

Visit www.SaferAsthma.co.uk to find out more.

.... Harvest 2024

This week we were visited by Ruth from Medway foodbank and part of our Harvest activities. We learnt where all our donations will go.

Thank you to all the families who donated to our Harvest this year, it will go to help those in our local community.

Tuesday 15th October – School Photographs **(individual)**

On Tuesday, Kittle will be in school to take individual photos of your child/children (Sparkles Nursery through to Year 6). Please note that if your child has PE or Forest school on Tuesday they will stay in their school uniform all day and PE lessons will be adapted to reflect this. Liberty Class will still need to bring their Forest School kit to school.

If you have siblings (Thames View pupils only, sorry no babies) and would like to have their photo taken together, you will need to bring them to school from **8.15am** to either the KS1 or KS2 hall. Once they have had their picture taken you can wait in the playground until their classroom door is open. Please do not worry if you are still in the hall after 8.45am, your children will not gain a late mark, please take them direct to their classrooms.

(please note that we are unable to collect and take siblings during the school day to have a photo taken)
