Mrs Rogers Message

This week, we have enjoyed a visit from the WWI Soldier for year 6. This was an opportunity to continue to explore what life was like in WWI, especially for those on the front line. We also had our Macmillan Coffee Morning. We would like to thank all of the parents and carers who came along, especially those who brought cakes, as we managed to raise **£50.90** for this important charity.

Next week, we will be having some timetables mock tests for our year 4's, as we begin to prepare them for their Multiplication Check. This is an online test that happens nationally each year. The test will be in June, so we will be working hard with year 4 to ensure they know all of their times tables to 12. We encourage all of our children to practice on TT Rockstars at home, to ensure time table fluency!

Our new Nursery and Reception children are continuing to settle in very well. Reception have been working on their topic Me, Myself and I which has been allowing the classes to get to know each other better and form further friendships. We have been so proud of how our children have settled in to routine this year, especially our children who moved from Sparkles in to Sunrise class.

We will be recruiting another Parent Governor to sit on our Local Governing Board, if this is of interest to any of our parents, please see the e-mail sent on Arbor with information on how to apply. It is important for us as a school to have a strong LAB to support us and challenge us, so that we always provide the best in all that we do. Could you be our missing piece of the puzzle? If so, please apply!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

... this week at Thames View

Year 5 - Today in English, Windsor devised their own performances of the poem 'Is the moon tired?' by Christina Rossetti. First, we explored the poem and identified the features, such as personification. Then we watched a video of someone reciting the poem which inspired the children. The class was then split into groups and they created their own actions which they performed at the end of the lesson.

Year 4 we have been learning about different feelings that we may have:

We're so sleepy!

How could you do that to us?

Don't you dare cross us!

Year 6 had a visit this week retelling the WW1 stories from a soldier, please see the social media pages for the photographs

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

Safeguarding Corner

Our inclusion team and our safeguarding team are here if you need us, no problem is too small! This week's focus is on how to keep safe online, this is especially important for our children who have their own phones!

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.
