Mrs Rogers Message

This week began with year 4 having a visit from a Roman Gladiator and what a fabulous time they had learning all about the Roman way of life! Year 6 ventured out to the Hawthorne Trenches on Monday as part of their topic on WW1. This is always an emotive trip that uncovers some of the stories of the war time soldiers and what life at war looked and felt like. They will continue to learn about this with a visit from a WW1 Soldier next week, with an opportunity to further explore and ask questions. Year 4 also went on an adventure this week to the Science Museum in London to learn about energy. They asked many questions and really immersed themselves in this experience, we are very proud of their behaviour on this trip.

We are proud of all of our year 6's who sat the Medway Test with us this week. This is always a very nervous time, but the children took it in their stride and gave it their best and they should be proud of themselves for their approach to the testing! Results are sent to parents in October 2024, we do not give them out to parents. This should be in tie to visit schools on their open days, but please do check the schools you want to visit in case you have to book a time slot or day. We appreciate some parents might want to visit schools on their open mornings, but please do let the office know if your child will be absent form school to do this.

Swimming has been happening for a couple of weeks at Cozenton Park and it is lovely to see nearly 200 children swimming regularly. Year 3, 4 and 5 should be proud of the

Next week, we have our next coffee afternoon on Wednesday 25th. This will be raising money for the charity 'Macmillan', if you are able to join us for some tea and cake, please do come to the front office at 2pm. Parent Forum is also continuing for our parents to be able to get to know and support each other, so keep a look out for the dates for these, every parent is welcome.

I hope you all have a lovely weekend and stay safe, Mrs Rogers.
