## Mrs Rogers Message

This week, we have really started our Gillingham FC Partnership. We have taken our Year 5s and 6s for a behind-the-scenes tour of the stadium, including player areas, and we enjoyed a question and answer session with the Community Director, Toby Waters. Some of our children will be back at Gillingham on the 31<sup>st</sup> for their fixture against Bromley, where our football team will be flag bearers for the game. If you are going along, please look out for Thames View footballers on the pitch at half time!

Our Football Team are playing in the Utilia Cup Tournament, which could see our football team playing at Wembley if they win! Best of luck to the team, and any parents whose children are playing are welcome to come and watch on Thursday!

If you are a Year 1 parent, culture trips are coming up soon to Pizza Express. Each class is on a different day, but please make sure you give permission on Arbor for your child to go. The children will be making pizzas with the chef and bringing them back to school to have for their lunch on that day, a yummy adventure!

We are busy preparing for our big production of Charlie and the Chocolate Factory in a few weeks. If you have not yet bought your tickets, please do. These can be purchased from the Glassbox Theatre website, which has been sent on Arbor. We will be having more rehearsals for the cast in school time to prepare for the show and we hope the children enjoy themselves, especially for those who are in a show on stage for their first time! We can not believe how great the rehearsals are already sounding!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

## Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on mental health of children and who you can contact if you are worried! You can also speak to us at school! Children's Mental Health week is 9<sup>th</sup> to 15<sup>th</sup> February 2026, so we will be focusing on talking about Mental Health in School!

**6**

**Do they need risk support?**

Risk support is keeping young people, and those around them, safe through active support from skilled organisations working together.

Young people requiring risk support are unable to access support and benefit from it. It is important to identify key people in the young person's life who they trust, whilst building their capacity for support.

Follow the Working together by safeguarding children guidance on multi-agency working.

# *In Memory of Miss Brobbey*

This weekend, five of our staff members will be completing the London Winter Walk 2026 in aid of the charity Children with Cancer UK. Mr Wykes, Miss Bailey, Mrs Bomers, Miss Frisby and Mrs Brushett will be taking on this challenge in memory of our friend and colleague Rita.

For 35 years, Children with Cancer UK has funded much needed research into the causes of childhood cancers, and the development of better, kinder treatments as well as funding initiatives that support children and their families through cancer treatment and beyond. If you are able to donate any money then please do so using the following link:

## ... ECO Shop ...

### Lost Property:

The water bottles that were in lost property will remain in the Eco shop until Friday 30th January and then they will be disposed of as we simply don't have room to store them.

Please be reminded that the children should come to school with a **NAMED** water bottle everyday as the demand for school to provide paper cups has increased significantly. The ECO shop sell 300ml bottles and are £1.50 and 500ml are £2.

There is also a large amount of **named** items in both lost property boxes particularly jumpers and cardigans, please check the boxes if you think your child has misplaced an item of their uniform.
