Mrs Rogers Message

This week, we have been enjoying Hook Day 3. On Wednesday, many children came to school in fancy dress or in colours related to their new topics. Year 1 have had a lively adventure through Space with their Virtual Reality workshop on Wednesday! Year 4 had a magical time at the Wizarding World of Harry Potter on Thursday, where they learnt all about the film industry and animatronics used in the films. They also got to visit Privet Drive, venture on to the Hogwarts Express, walk along Diagon Alley and step in to Gringotts! They even came face to face with a dragon!

Rehearsals are sounding lovely for our big production for this year at the Glassbox Theatre, Mid Kent College on the 11th and 12th February! We really appreciate parents support with ensuring your children are at rehearsals and this is especially important as we get closer to the show. If parents would like to buy tickets, there will be a link sent to all parents, so please look out for this on your Arbor! So please do come and sing along with the Oompa Loompas!

We also have a range of sporting events happening this month, including an EFL football tournament, which could lead to Thames View playing at Wembley. If your child is on our football team and attending, you will receive a letter from Miss Bailey! Year 5 and 6 will also be visiting Gillingham FC for a behind-the-scenes tour on the 22nd January. Year 6 in the morning and Year 5 in the afternoon, a letter will be sent home soon with more information!

Swimming continues to be a big success, with the more advanced swimmers learning lifesaving techniques. Years 3 and 4 will continue to swim through the spring and keep mastering their skills. Parents will be given a progress sheet with their achievement on as well as swimming badges once we assess them, so more information will come to you about this as we progress through the Spring! Please remember to ensure children have coats in school, as they walk to swimming and the weather is always changing!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on Safety when riding your bikes! We will be having road safety workshops in all year groups over the Spring and Summer! So there will be more information to follow!

I'M SAFE! ON MY BIKE - I'M SAFE! ON MY BIKE - I'M SAFE! ON MY BIKE - I'M SAFE! ON MY BIKE

Look left, right, and left again before you cross sidewalks and driveways. Continue looking as you cross.

Only ride where your parents say it is safe.

**I'M SAFE!
ON MY BIKE**

Can you guess the rule that goes with each picture?

Always wear your helmet. Wear bright clothes.

If you cross a street, walk your bike.

Obey stop signs and traffic lights.

Ride on the right. Ride in a straight line.
