Mrs Rogers Message

This week, some of our Year 6's have represented Thames View at the Royal Engineers Museum in the annual bridge building competition. This is part of our STEM initiative and gave the opportunity for those children to consider what is necessary to build a strong bridge and what we must consider when building infrastructure. The students worked so well as a team and encouraged each other throughout!

Year 3 and Year R have been learning about road safety this week and why we must follow the Green Cross Code. They have been on local walks to ensure that they can apply their learning and practice the steps of the code and be aware of dangers near the road, including using the crossing to cross the road! We are lucky to have Paul, our Lollipop Man, to help us with this!

Year 1 Kanzi also visited Pizza Express this week for their culture trip. They became little chefs and made their own pizzas. They learnt about healthy eating and brought their pizzas back to school to have for their lunch!

Next week we will be having some science workshops. Years 3 and 4 will be having a lego workshop, and years 5 and 6 will become detectives in their forensic workshops. We are also running our mothers day gift shop. If you would like your child to visit this, please use the PTA link and pay for a ticket, so your child can pick a gift for their mum in the shop! We will also be having mothers day tea on Friday, so please buy your tickets and your child goes free! All are also welcome to our maths parent forum on Thursday!

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn. Each week, there will be safeguarding tips here, let us know if we can help!

Today's focus is on the NSPCC's pants campaign!

LEARN PANTOSAURUS' FIVE EASY RULES FOR STAYING SAFE

P RIVATES ARE PRIVATE

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first. Remember, what's in your pants belongs only to you.

A LWAYS REMEMBER YOUR BODY BELONGS TO YOU

No one should ever make you do things that make you feel embarrassed or uncomfortable. If someone asks to see or tries to touch you underneath your underwear say 'NO' – and tell someone you trust and like to speak to.

N O MEANS NO

You always have the right to say 'no' – even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel. If you want to say 'No', it's your choice.

T ALK ABOUT SECRETS THAT UPSET YOU

There are good secrets and bad secrets. If a secret makes you feel sad or worried, it's bad – and you should tell an adult you trust about it straight away.

S PEAK UP, SOMEONE CAN HELP

It's always good to talk about stuff that makes you upset. If you're worried, go and tell a grown up you trust – like a family member, teacher or one of your friend's parents. They'll say well done for speaking out and help make everything OK. You can also call Childline on 0800 1111 and someone will always be there to listen.

Remember all of these rules and they'll help you stay safe, just like Pantosaurus
