

# Thames View Primary School Newsletter

*Responsibility*  
*Resilience*  
*Respect*

It has been a truly wonderful week in school this week. The school has been filled with positivity, enthusiasm, and plenty of smiles. As ever, the pupils have worked incredibly hard, and it has been a pleasure to see such strong engagement across all year groups. We have also been fortunate to enjoy some beautiful weather this week, which has added to the cheer! Playtimes and outdoor learning have been especially enjoyable in the sunshine and the Year 6s have loved busily building a Bug Hotel for the local Wild life!

A particular highlight has been the recent trips for Year 5 and Year R. The Year 5 explored rivers and they even got to go in the river - including one who went too far in! Year R saw Tales from Acorn Woods production which they loved! as we would. The children represented the school brilliantly.

Today, we marked Red Nose Day, and it was fantastic to see so many pupils and staff dressed in red. Thank you for your support in making the day such a success while raising awareness for an important cause.

Wishing you all a lovely weekend.  
Mr Symons

Year 5 have been learning how to be forensic detectives this week! They found out how fingerprints, footprints, DNA and other clues can help us identify who is guilty of a crime before investigating crime scenes themselves.

Year 5 had a wonderful time in the sunshine at Sevenoaks exploring rivers and learning about the life cycle of plants.

Year 4 enjoyed a VR Workshop this week on Ancient Greece to go alongside their topic this term

**Well done to this week's Golden Ticket winners:**

**Edward, Evelyn, Millie, Molly, Riley, Freddie, Arya and Jakob!**

**They have all been brilliant learners this week and embodied our school values wonderfully!**
