### September

- 1<sup>st</sup> - Children return to school

Dear Parents and Carers,

We have been fortunate to enjoy some truly lovely sunny weather this week, and it has been wonderful to see the children making the most of it during breaktimes and outdoor learning opportunities. The brighter days certainly seem to bring an extra energy and positivity to our school community.

I am also delighted to share the launch of our new Values Certificates, which are designed to celebrate and recognise how our pupils demonstrate British Values in their everyday school life. These include respect, tolerance, democracy, individual liberty, and the rule of law. We are incredibly proud of the way our children show kindness, fairness, and respect towards one another, and these certificates will help us highlight and celebrate those important behaviours even more.

We hope you have a lovely weekend - enjoy the extra day and hopefully the sunshine!

Thank you, as always, for your continued support.

Mr Symons

# New weekly information for all parents

Each week, on a Friday afternoon, you will receive your child's weekly attendance report. The sample below shows you the layout:

---

Student(s) Full Name  
Student(s) Date of Birth  
Student(s) Registration Form

As you know, attendance is one of the most important things a parent can help their child with. Research shows, the better the attendance the better chance of them succeeding.

Student(s) First Name 's attendance is currently  Report Field: Statutory/Roll Call Attendance (Present) this academic year

**What this means**

<b>100%</b> Perfect	<b>96% +</b> Good	<b>&lt; 96%</b> Worrying	<b>&lt; 90%</b> Concerning
------------------------	----------------------	-----------------------------	-------------------------------

Even one day off makes a difference to a child's learning.

If you need any help with your child's attendance, please do get in touch.
