September

- 1st - Tuesday - Children in years 1-6 return to school

Dear Parent and Carer,

Once again, we come to the end of another lovely week. While we are all enjoying the sunshine, it brings with it disturbances and complications!

As you know, we have had to adapt our Sports Day plans due to the very high temperatures next week. We have discussed all the different options and wanted to make sure that we get the chance to celebrate sports with the children and families which is the most important thing. Therefore, we will be completing sports day at the start of the day when it is coolest. We will be using the natural shades of the trees where we can and making sure we stay hydrated.

- Monday - Years N & R
- Tuesday - Years 3 & 4
- Thursday - Years 1 & 2
- Friday - Year 5 & 6

We do apologise to Parents of Year 1, 2, 5 and 6 where we have had to move this to the morning. We could not take the risk of asking the children to race and compete and sit in the mid day heat - and families for that matter. We thank you for your understanding.

Please can you make sure that your children has suncream on; wear a sunhat and have a named water bottle with them.

Enjoy the sunshine over the weekend!

Mr Symons

Congratulations to our Golden Ticket winners this week in KS2 !

Charlie, Megan, Daniel, Summer, Ellison, Erin, Arian, Evie

Some of the reasons they gained the award are:

- Trying new games and building new relationships
- Always helping others and smiling each and every day
- Contributing thoughtful ideas in lessons
- Trying their best in learning

Congratulations everyone !

Summer is here !

As the weather is set to stay warm, we'd really appreciate it if parents could help us by making sure children are prepared for the day.

Please provide your child each day with :

- KS1 children - apply long lasting sun cream before school
- KS2 children - please ensure they either have sun cream applied before school or bring a named bottle of sun cream to school if they are able to apply it themselves.

- **Sunhat** - please send your child in with a named sunhat each day.

- **Sunglasses:** only if the children are prescribed sunglasses

- **Water Bottle :** Make sure children bring a named water bottle every day so they can stay hydrated (they can be refilled during the day at school)

Electric fans: We kindly ask that children do not bring electric fans into school. Unfortunately, they are not permitted in classrooms for safety reasons.

Please remember to name all items that the children wear / bring in to school so that they can be brought back to them directly.

Thank you for your support

2026

Please see the email from Mr Gates earlier today for the re-scheduled timetable for our Sports Days

We have received some messages from parents, hope the points below help clarify:

- After their Sports events, (ie the events are due to finish at 11.05), the children will return to their classes with the class staff and continue their school day. They will then finish at their normal end of day time.
- After school clubs are cancelled on Monday and Tuesday.
- Cricket Club on Monday,
- Dance Club on Tuesday

PE Days - Please wear your PE kit on your normal PE days and the lessons will be adapted to ensure the children can be kept as cool and calm as possible

- Swimming for Year 2 on Thursday is cancelled
- Swimming for Year 6 on Thursday will still take place
- If your child is part of the MYG Cricket - you will have received an email to say it is cancelled on Thursday

Thank you for your continued support and understanding, and we do appreciate that we have had to make changes at very short notice, for the safety of all children, staff and parents.

Hand painted rocks for Miss Brobbey's garden

We have received some beautiful painted rocks for Miss Brobbey's Memorial Garden from the children.

Just a reminder that you can still send them in to the school office.

We would love the rocks to be beautiful, bold, and bright, with lots of colour and creativity.

Please ensure that:

- Each child submits only one painted rock.
- The rock is no bigger than an adult's palm.
- Completed rocks are handed in to the school office.

We look forward to seeing the children's wonderful creations and adding them to the garden.

⚠️ Public Safety Warning – "Squishy Buns" Toys ⚠️
 Medway Public Protection Trading Standards Team is urging parents and carers to be aware of a growing social media craze involving "Squishy Buns", "Steamed Dumplings" and "Squeazy Dumplings" gel-filled toys. These products are being sold in some convenience stores, markets, and online marketplaces.
 Investigations have found that some of these toys may not meet essential UK safety standards and can contain dangerous levels of toxic chemicals, including benzene, which may pose serious health risks.
 ✅ Before buying or allowing children to use these products, check that they:

- Have clear permanent labelling
- Show the name and address of a UK manufacturer or importer
- Include a batch/model number
- Display CE or UKCA safety markings
- Contain safety warnings and instructions in English
- Include age warnings where applicable (such as "Not suitable for children under 3")

If you are unsure whether a product is safe, avoid using it and dispose of it responsibly. For more details about product safety and recalls, check the [Office for Product Safety and Standards](#)
