Nursery Classes

Dear Parents/Carers of our Nursery children,

I hope you and your families are all keeping safe and well during what has turned out to be the most challenging of starts to a New Year.

As you will know, under the current National Lockdown regulations due to COVID-19, schools are closed, to all children except for those identified as Vulnerable or those of Critical/Key Workers. There has however, been some confusion due to the Government and Medway guidance regarding the opening of Nursery provisions that exist within Primary schools.

I can confirm that as from Monday 18th January, our morning and afternoon Nursery classes will be open for any Nursery child, regardless of parental status, should parents wish their child to return.

In order to ensure we have the statutory staff to pupil ratio in the Nursery from Monday, **please** could you e-mail the school office by **5pm today** (office@thamesviewprimary.medway.sch.uk) to indicate whether you intend to send your child to Nursery from Monday 18th or alternatively if you have made the decision to keep them at home and continue to Self-Isolate as a family.

Please note that the rest of the school remains closed except for Vulnerable and Critical/Key Worker children.

Sincere apologies for the very short notice of these changes. Thank you for your understanding.

Best wishes and stay safe.

DL Daburn

Mrs Deanne Daburn
Head of School
