## Mrs Rogers Message

This week we have had school photographs. It has been lovely seeing the children looking so smart in their uniforms and I particularly noted some of the very trendy hair styles ready for photo day! We have also seen the school nursing team visit to give the annual nose spray to children who had consent to have this. Attendance remains vital during the winter months, so that the children do not miss any of the fun events happening this term and so that every child can achieve their potential in their learning. Our next exciting event is our World Cup Day this Monday. Children can wear their own clothes, including a football shirt or colours of the team they are supporting in the world cup. There will be bubble football in the morning and a viewing of the England World Cup game in the afternoon.

We also begin our trips again over the next couple of weeks with Year 3 off to Rochester Guildhall museum to learn about the Victorians, Year 5 going to the Maidstone Museum to learn more about the Egyptians and Year 1 having their house trip to see Matilda the Musical at the Odeon Cinema, Chatham. This learning consolidates their class-based learning. Parents who would like to see the curriculum plans for their child's year groups can find these from the start of each term on the school website. The school social media will also be updated regularly this term, so that you can keep up to date with your child's activities in schools and our weekly rewards, including golden ticket! Parental feedback is always really important to us and we thank parents for their ongoing support with home learning and to those parents who have been in school as part of the volunteer programme and supporting the PTA. I hope you all have a lovely weekend and stay safe, Mrs Rogers.

World Cup Fun Day  
21<sup>st</sup> November  
Football themed  
clothes and  
activities!

## Quote of the week

"It does not do well to dwell on dreams and forget to live."  
J K Rowling

## Learning Page

On Thursday this week, our Junior then our Infant children have enjoyed an assembly with Children's author Ian McDonald. They have learnt how to plan and write a story and what the journey involves to publish a book!

# NSPCC 'Learning'

## *Safeguarding Corner*

*If you have concerns about you child, please come in and discuss these with Mrs Flynn or Mrs Stevens. Each week there will be safeguarding tips here, let us know if we can help!*

*Today's focus is on the speak out stay safe programme. Thames View Primary School are working with the NSPCC to deliver the stay safe programme to all of our key stage 1 and key stage 2 children. Buddy, the NSPCC mascot, along with the TV personalities Ant and Dec have been delivering assemblies to teach our children about children's rights, how they can be hurt and how they can speak out to keep themselves safe. It also promoted the free helpline called ChildLine, 0800 1111, which is always available to all children. Safeguarding information is available around our school. It is important that Thames View is a safe and happy place for your children!*
