## Mrs Rogers Message

A Happy New Year to all of our Thames View Family and a big welcome back to school! We couldn't be happier to welcome our children back on Wednesday and we have enjoyed hearing about lots of lovely activities that have happened over Christmas, including all about visits from Santa and presents that children have enjoyed! We began our new term with our Hook Days to launch our new topics across the school. These days are proving to be very important for our children to engage in their learning. Here is a reminder of the topics;

Reception- Terrific Tales

Year1 – To Infinity and Beyond

Year 2- Spring Watch

Year 3- Nature's Revenge

Year 4- Our Changing World

Year 5- Henry VIII- Tudor King

Year 6- Hola Mexico

Parents can see the curriculum plans and topic webs for all of their subjects on our website, on your child's year group page. We also have a number of parent workshops coming up, including mastering number, phonics and forest school, more information on these will follow shortly.

Thank you to those who attended the parent coffee afternoon on Thursday, to meet our new SENCO, Miss Rouse. She will be meeting with more parents over the coming weeks. We are also looking for more parent volunteers to assist with regular daily reading in all of our classes, if you would be like to do this, please see Mrs Horne in the school office.

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

## Quote of the week

***“A person who has good thoughts, cannot ever be ugly. If you have good thoughts, they will shine out of your face like sunbeams and you will always look lovely”***

**Roald Dahl**

# Hook Day - 4<sup>th</sup> January 2023

Discovery	Maxwell			
Pioneer	Lexi			

## *Safeguarding Corner*

*If you have concerns about your child, please come in and discuss these with Mrs Flynn or Mrs Stevens. Each week there will be safeguarding tips here, let us know if we can help!*

*Today's focus is keeping safe online. Internet Safety Day is coming on the 8<sup>th</sup> February 2023, but your children will be learning about e-safety in nearly every computing lessons. There will be regular coverage on internet and computing expectations. The following website has some very useful information for both children and parents.*

[Child Safety Online: A practical guide for parents and carers whose children are using social media - GOV.UK \(www.gov.uk\)](http://www.gov.uk)
