Mrs Rogers Message

This week has been an adventure! Year 3, 4 and 5 enjoyed an assembly and workshops with the world-renowned Jamie Knight, the Football Freestyler on Tuesday and some children attended the after-school workshop with him. Reception went to visit Rainham Library on Tuesday as part of their topic, Amazing Authors and just in time for World Book Day. This was Reception's first visit out of school and was good preparation for their House Trip to Room on the Broom at Tunbridge Theatre in a couple of weeks.

Friday has been World Book Day at Thames View, following the partial closure on Thursday due to teacher strikes. I must say a big thank you to parents and carers who allowed their children to come to school in either their pyjamas for bedtime stories or as a character from a novel. I, personally, had a great day dressed as the Queen of Hearts and it made Golden Ticket even more fun in fancy dress!

Our next curriculum trips are year 3 trip to the Chocolate Factory, Opal on the 9th March and Topaz on the 16th March so please ensure you have given your children consent on arbor to attend those trips. Reception and Year 1 are going to the Theatre to Room on the Broom on the 10th March and Year 5 will be venturing to Riverside Country Park on 14th March for their topic 'Go with the Flow', so please can year R, 1 and 5 parents complete the permission slip these trips.

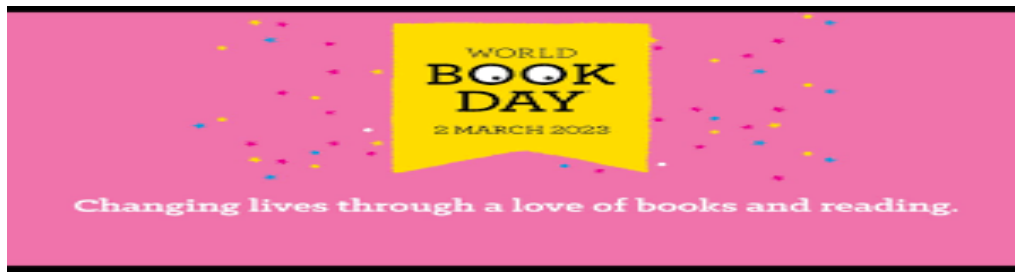

The week after next will be Science Week at Thames View Primary and all classes will be involved in the Silly Science workshops that are being delivered by the Education Group. These will involve some very exciting experiments and we will ensure we put photos of this on social media for our parents to see. There are two more teacher strikes planned for the 15th and 16th March but I be in contact nearer to the dates with expected closures. We will ensure that we keep as many year groups open over the course of the two days, so that they can take part in planned trips and the science workshops.

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn or Mrs Stevens. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is the Grounding Technique. This tool can be used for children with anxiety, to help them to rationalize and calm. Try this and let us know what you think!

Dear students and staff of Thames View Primary,

Thank you very much for participating in our Peace Doves project by creating your own amazing display in school, we hope that you have enjoyed taking part.

A photograph of your creation has been included in our exhibition.

Our Peace Doves installation will be here in the Cathedral until 18th April. A photograph of it can be seen at the base of this letter.

Thank you once again for taking part.

Kind regards,

Helen Bradshaw

Learning Manager, Rochester Cathedral
