Mrs Rogers Message

This week year 4 have been to Kent Life for their topic on 'It's all Greek to me', where they enjoyed a workshop. Their behaviour was really excellent and they have made us all proud of them. Next week, year 5 venture to the Wizarding World of Harry Potter at the Warner Bros Studios, for their House trip, to cast some spells and mix with muggles, so that will be a very exciting adventure.

This Monday is a Bank Holiday and Tuesday, 2nd April is a Strike Day so only Years 2 and 6 should come in to school on this day. All children should then be back on Wednesday 3rd April. Year 5 are swimming a Wednesday at Medway Park and the first couple of sessions have been focusing around ensuring children are in the correct ability groups and building their confidence back in the water. We have been really pleased with the children's enthusiasm for swimming and their efforts so far.

On Friday 5th May our new catering company are offering a special Coronation menu to celebrate the coronation of King Charles III which we will be celebrating with the children in school on this day.

Please can we promote school attendance and remind parents that if your child is absent from school it is very important to ring the school office on the morning of the absence. Regular absence often leads to poor attainment, so we want to see our children in school every day and on time. Any parents who are struggling with this, please don't hesitate to speak to Mrs Flynn or Mrs Stevens in Inclusion.

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn or Mrs Stevens. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on attendance!

Poor attendance has an affect on attainment and progress. Children who miss lessons regularly fall further behind, so it is important that children are in school every day and on time. Have a look at some of these key facts about the absence time and how that impacts learning!
