Mrs Rogers Message

This week Year 5 have been casting spells at the Wizarding World of Harry Potter. The trip was a highlight of the year for many of our year 5's and a really fabulous adventure for the beginning of summer. It was a long coach journey to Watford and back, but I am so proud of the behaviour of our children on the trip and how they represented Thames View Primary School.

Today, we enjoyed our Coronation Lunch whilst listening to some patriotic music and socializing with friends in the Ocean and Rainforest Café. The flags have been out and the children have enjoyed celebrating the Coronation of King Charles III, which will of course see us have this Monday as a Bank Holiday!

Year 5 swimming will continue all the way until the summer holidays, so please can year 5 parents ensure that year 5 children come in to school wearing swimming clothes under uniform on a Wednesday and bring their swimming bags (including goggles where possible) in to school. Swimming is part of our National Curriculum so we do ask for all children to attend.

Next week is our Year 6 SATs week, so we expect this to be a busy time for our eldest pupils. Please can parents ensure children are in school on time every day, so that we can support all of our pupils with their learning and preparation for this. We always ask that parents avoid booking family holidays during school time and this is especially important this month due to testing. We have been busy planning rewards for our children following this very busy time of hard work and we look forward to surprising them in the next couple of weeks.

I hope you all have a lovely weekend and stay safe, Mrs Rogers.

Safeguarding Corner

If you have concerns about your child, please come in and discuss these with Mrs Flynn or Mrs Stevens. Each week there will be safeguarding tips here, let us know if we can help! Today's focus is on Anti-Bullying!

Bullying can happen at school but at Thames View we teach the children who they can speak to if they are worried. They can speak to the Wellbeing team, their class teacher or TA, a member of SLT or if they don't want to speak to an adult, they can post a note in the worry boxes located around the school. If you are worried about your child being unhappy at school, please come in and speak to us as we want all of our children to feel safe and happy at school. Please speak to a member of staff on duty before or after school or come in to the school office and someone will be available to speak to you about any problems.
