## Mrs Rogers Message

This week has been super sporty, with two very enjoyable sports days! Thank you to those parents who attended the family picnics and came to watch their children compete. There was a range of sporting activities, including flat races, long distance races, long jump, shot putt and obstacle courses, which all of the children enjoyed and really gave their best in. The medal ceremonies were lovely and all children received a participation certificate to praise their efforts and good work. We welcome parent feedback on these sports days via the office e-mail, [office@thamesviewprimary.medway.sch.uk](mailto:office@thamesviewprimary.medway.sch.uk).

Year 5 have been enjoying a trip to Chatham Dockyards as part of their topic Maritime Medway. They took part in different workshops, had a tour of the Dockyard and enjoyed the beautiful weather by the river. Their behaviour was really excellent and we are so proud of our year 5's for immersing themselves in their active learning.

Year 6 enjoyed their weekend at PGL, experiencing a range of activities whilst they were there. We hope you enjoyed the pictures on our social media of their adventure. If any parents who have not given their children permission to be on the social media but would like to change this from September, please nip in to the school office and let us know.

We have also been celebrating Thank a Teacher Day this week at Thames View, having an afternoon tea for all of our staff. As part of this we were able to award our Pearson's Teacher of the Year Award, to our very own Claire Adshead. This is a huge achievement, as she has been selected to win from all of the other primary teachers in the country. I think this is fantastic recognition of her hard work over the years.

I hope you all have a lovely week and stay safe, Mrs Rogers.

PGL – a few more memories from the Year 6 weekend away

Golden Ticket is every Friday and a child in each Key Stage 2 class can win the golden ticket for outstanding effort, behavior and for showing our 3 school values, Respect, Responsibility and Resilience.

## Don't Be Fooled by offers of quick cash

**NEVER** accept money from a stranger, even if your friends do.  
**NEVER** share your bank details with anyone you don't know and trust.

It could be a criminal trying to get you to be a money mule. This means:

	You could be putting yourself and your family at risk
	You will have difficulty getting mobile phone contracts
	Your bank account will be closed
	You could find it difficult to get a job when you leave school
	You will find it difficult to get a student loan for college or university
	It is a crime
