Mrs Rogers Message

This week, we have seen year 1 visit Margate and go to the beach for their topic, 'I do like to be beside the seaside'. They caught the train from Rainham Station to Margate which was very exciting, especially for some of the children who had never been on a train before and they got to have an ice cream on the beach, enjoying the lovely weather and playing in the sunshine. We thank all of the staff and parents who helped to support the trip!

Our school governor's day on the 4th July allowed our governors to meet more of our children and see lessons happening in all parts of school. It was really lovely to be able to share the achievements of Thames View this year with our LAB and to hear their very positive feedback. We will be having a meet the governor's afternoon for parents early in the new academic year for those parents who would like to meet and speak to them!

Transition Day on Thursday was very exciting for both staff and children, as the children spent the afternoon with their new teacher and in their new classrooms. There were different fun activities planned that allowed for the children to get to know their new teacher and to look forward to the learning that they would start with next year.

Wednesday, we opened to year 1 and 5 due to the strike day and we thank parents for their support with this. As you can appreciate safety is always paramount and we must make sure we have enough staff in the school building to safely supervise your children. Tomorrow is Trust Training, so children will stay at home!

On Monday, reports are coming home and on Tuesday there will be parents evening in the key stage 2 Hall, so parents should come in to the school via the main reception.

I hope you all have a lovely week and stay safe, Mrs Rogers.
